Intelligent (even if flunking and can't spell)

About 1/3 are geniuses, even if learning “disabled”

Music oriented, very rhythmic

Unusually creative, spiritually minded

Intuitive, psychic, many can remember past lives

Excellent with math (don't let them fool you about this)

Natural healers

Ready-to-go entrepreneurs

Irreverent, quirky ideas, and unique beliefs

Visionary problem solvers, knowing

Volunteer-minded, humanitarians

Groupies who “move” as if part of a collective

Often attend “night school,” in addition to dreaming

Abstract at very young ages, spacial learners

Fusion of sexes and gender mixing

Multi-sensory, multi-channelers who live in multi-verse
